Experience

Pocket FM

July 2025 to July 2026

Ad Operations Specialist (Contract) | Remote

- Own Meta Ads execution across acquisition and engagement campaigns supporting large scale user growth across multiple geographies.
- Built structured creative and audience testing systems that improved click through rate by approximately 16% and reduced cost per result by approximately 14%.
- Designed live performance dashboards to monitor spend efficiency, creative performance, and scaling readiness.

Intertek India Pvt. Ltd.

Aug 2024 to Jun 2025

Digital Marketing Executive | Delhi

- Led paid search, paid social, and organic campaigns supporting multiple service lines across South Asia.
- Used GA4 funnel analysis and CRO testing to improve conversion rate by approximately 18% and increase marketing qualified leads by approximately 22%.
- Optimised landing pages, enquiry forms, and lead routing to improve sales handoff and pipeline quality.

Tradebuilder Inc.

Sep 2023 to Jul 2024

Digital Marketing Associate | Noida

- Built weekly GA4 based funnel and cohort reports to identify optimisation and scaling opportunities.
- Ran A B tests across ad creatives and landing pages, improving click through rate by approximately 12%.
- Contributed to an improvement of approximately 20% in paid media return on investment.

Projects

Automated B2B Lead Generation Engine

- Built an n8n-based automated lead engine that scraped, enriched, scored, and routed B2B leads into Airtable, Google Sheets, and CRM systems.
- Integrated AI keyword generation, contact extraction, deduplication, and multi-channel outreach workflows across email, WhatsApp, and Slack.
